

Meadowlark Basin - B. M. Bower	<p style="text-align: center;">Meadowlark Basin B. M. Bower</p> <p>This is an action-packed tale of the old west with richly drawn characters including the notorious Butch Cassidy, most of them upstanding but some decidedly not. A cashier is murdered during a bank robbery. The loot and the thieves are sought with dark concerns about who may be guilty. Family ties, ranch life, humor, and romance are interwoven throughout. B. M. Bower was one of the first women to write novels and short stories about the American Old West, of which more than 10 were adapted as films.
